The image displays two side-by-side horizontal bar charts comparing reasons for not having a car. The left chart is titled 'No car' and the right chart is titled 'No car or truck'. Both charts show the percentage of respondents for various reasons, with bars for each reason appearing in both charts. The reasons are listed on the y-axis, and the percentage of respondents is shown on the x-axis. The bars are black with a white cross-hatch pattern.
